If you are part of a group or organization and are interested in participating together in Razorback Relief: Operation Haiti please contact Rich for further instructions. See you at the event!

DETAILS:

The University of Arkansas Athletics, Acumen Holdings, and Numana are partnering to host a 2 million meal packaging event. Each of those meals will be distributed to Haitian people within 7 days of the event. The event will provide an opportunity for the people of Northwest Arkansas and the surrounding states to supply the starving people of Haiti a pre-packaged meal. The event will be an assembly-line process that requires thousands of volunteers to participate. Please help us break a world record for the number of meals packaged in a 24-hour period!
